

Upscale Overnighters

CHAPARRAL 350 SIGNATURE

Smaller than the 40-footers, this boat still offers fun cruising in the same luxurious vein and at sporty speeds. Interior design is cozy and comfortable. Deck access is easy from the cockpit or even from below through the cabin deck hatch. A sun pad on the deck makes the forward area the most popular during gentle cruising or when hanging out at anchor.

LENGTH: 37' BEAM: 11'10" MAX HP: 750
